

TALKABOUT™

T605 H₂O

TWO-WAY RADIO

GO ANYWHERE

STAY CONNECTED DURING YOUR WILDEST OUTDOOR ADVENTURES

With a rugged, fully waterproof** design, emergency features and a 35-mile range*, the TALKABOUT T605 H₂O walkie-talkie keeps you connected and protected during outdoor adventures and more. The T605 H₂O walkie-talkie is packed with valuable radio features, like its floating capabilities and flashlight. And, the T605's flashlight activates upon impact with water, so you don't have to worry about losing your device.

If a dangerous situation arises, the T605 H₂O's easily accessible emergency alert feature can loudly alert other radios. This combined with its 35-mile range* allows you to maintain peace-of-mind during adventures.

With not just 2, but 4 NiMH batteries in your T605 pack, you always have extra and never miss a moment. Whether it's during outdoor adventures or emergency situations, the T605's feature set will keep you connected and prepared.

UP TO
35
MILE RANGE*

Mountain to Valley:
Up to 35 miles

Open Water:
Up to 6 miles

Neighborhood:
Up to 2 miles

***The range in real-life conditions can be reduced from maximum range.**

The communication range quoted is calculated under optimum conditions, with an unobstructed line of sight. Actual range will vary depending on terrain and conditions, and is often less than maximum possible. Your actual range will be limited by several factors including, but not limited to, terrain, weather conditions, electromagnetic interference, and obstructions.
