### T270 PACKAGE CONTENTS

### T270TP PACKAGE CONTENTS

Specifications are subject to change.

\*How far can I expect my radios to communicate? The communication range quoted is calculated under optimum conditions, with an unobstructed line of sight. Actual range will vary depending on terrain and conditions and often less than maximum possible. Your actual range will be limited by several factors including, but not limited to, terrain, weather conditions, electromagnetic interference, and obstructions.

\*\* Based on standard usage of 5/5/90 cycle.
